From the Principal

Dear SHCS Families,

Thank you to all who have re-registered and to those who applied for tuition assistance in a timely manner. Any applications from this point forward will not be considered for SEEDS scholarships (diocesan). However, we do have other angels if you are in need of assistance. The first step is to apply at Facts Management.

Our student council put on a great Valentine dance that was enjoyed by all who attended. The monthly outreach was for the American Heart Association which raised $211. Thank you for your participation.

Recently sent home was a request to help with our Founders Day service project - assisting migrant worker families. Please be sure to read on the many ways you can make a difference.

Peace,
Mrs. Kuliga

“The love of talk distracts all the powers of our soul from God, and fills them with earthly objects and impressions, like a vessel of water that cannot be settled while you are continually stirring the earthly particles from the bottom.”
